Obituary.

Brother E. A. Drake departed
this life at the hospital at Ashe-
ville, N. C., on the 5th day of
February, 1909.

He was born in Henderson
county, April 24th, 1847.

He spent his entire life within
two miles of his birth place, until
eleven days before his death.

He was one of the oldest mem-
bers of the Pleasant Hill Baptist
Church of Henderson county.

He became a member of that
church forty years ago, when it
was known as the Antioch
Church.

On November 16th, 1874, he
was married to Miss E. M. M.
Folds. To this union was born
ten children seven sons and three
daughters, all of whom still sur-
vive him. Four of these are
married.

Brother Drake was a devoted
husband, a kind and indulgent
father, a good neighbor, a use-
ful citizen and a cheerful giver.
He was loved by all who knew
him. He was never too busy to
visit the sick, or lend a helping
hand to the needy. He was a
consecrated Christian and a
faithful worker in his Church
and Sunday School.

But he was deprived of attend-
ing the services to some extent
before his death, on account of
his affliction.

For some time before his death
he was perfectly submissive to
the will of the Lord.

His wife, children and many
friends mourn their loss, but re-
joice in the testimony of his life,
to the faith, he professed in the
Saviour, therefore be it Resolved,
That we the members of the
Pleasant Hill Baptist Church,
hereby acknowledge that we
have lost one of our faithful
members, and we as a church do
sincerely pray that each member
may strive to be as faithful in the
discharge of every duty as was
he.

We, the members of Pleasant
Hill Baptist Church extend to
the bereaved family our tenderest
sympathy, and pray to the Lord
that He will bind their broken
hearts and heal their wounded
spirit.

Resolved, That a copy of these
resolutions be sent to both of our
home papers for publication, one
to the bereaved family and one
to be entered on the church re-
cord.

Repeats, and That Settles It.

Gowan's Pneumonia Prepara-
tion repeats because it is a re-
medy of merit and will do all claim-
ed for it. Being external it can-
not form the drug habit. Con-
taining its curative agents in a
vehicle of animal fats, it pene-
trates quickly, scatters inflamma-
tion and congestion and reduces
fever. It gives instant relief in
croup, coughs, colds, sore throat
and pains in lungs. Absolute
proof from highest authority
that it will prevent and cure
pneumonia in worst stages. For
burns it relieves the pain and
heals at once. For rheumatism,
sprains, bruises, sores, muscular
soreness and stiffness, it gives
quick relief. These statements
are verified by thousands of let-
ters from users. A trial bottle
will convince. Once a customer
always a customer. You cannot
afford to risk imitations in the
face of croup or pneumonia.
Gowan's is in a class by itself.
There are no just as goods.
Your money back if used as di-
rected without results. Sold by
all druggists from \$1 to 25c.

An Important Convention.

The North Carolina Press As-
sociation executive committee
meets at Raleigh, March 20th,
when they will decide where to
hold the annual convention of
the editors.

The newly-organized Board of
Trade will urge the newspaper
men to come to Hendersonville.
The meeting will be held during
the last of June or early in July.

The advertising the town
would receive from the gather-
ing of these gentlemen cannot
be estimated. They are the salt
of the earth, and needless to say,
they, with their families will be
made most heartily welcome
should they decide to come to
Hendersonville.

Merely as a matter of business,
the town could afford to raise a
substantial sum for the enter-
tainment of the editors. Certain-
ly the hotel rates, etc., should be
nominal and every inducement
possible should be held out to
them.

It's up to the Board of Trade
to land this very important con-
vention.

THE CURSE OF THE SOUTH

1908 "The Secret is out at last: The

treacherous and destructive of all

of this Health destroying Parasite

ducing an impoverished condition of
the blood; which is characterized by extreme
Pallor, General Debility, Weakness,
Loss of Vigor, Lack of Ambition, and
general undermining of Vitality.

The CLIMATE and ATMOSPHERIC
conditions destroy the Vitality. Let

HIDE to WEARER

Kromelk Double
Wear Shoes.

KROMELK is the wonderful new sole leather that out-
wears two pairs of ordinary soles.

KROMELK is so far superior to ordinary leather that there
is absolutely no comparison.

Not only does KROMELK give double service but it is
practically heatproof and waterproof — is lighter in weight and
more flexible than common sole leather.

Years of constant and concentrated effort were spent by ENDICOTT-
JOHNSON CO. in perfecting the tanning process of KROMELK. It is the
greatest achievement of the century in the shoe and leather industry.

Yet, with all these remarkable qualities, KROMELK soled shoes cost
no more than the other kind.

We have them in all grades for Men and Boys.

HENDERSONVILLE-MERCANTILE COMPANY

You are protected against imitations of this leather as "KROMELK" is stamped
on every genuine KROMELK sole, together with the name ENDICOTT-JOHNSON CO.
